

By signing below you understand and agree to the following:

1. You will not be reimbursed for any deposit or payment you make to a contractor. The Borough of Spotswood will only pay the contractor and only upon completion of the project as listed in the quote.
2. You must obtain at least three (3) quotes from contractors that will agree to accept a purchase order for payment.
3. The obligation to schedule the work is between you and the contractor. Once the work is complete and an invoice is received the payment will be generated by the Spotswood Office on Aging.
